

University of Cape Town Lung Institute CENTRE FOR LUNG INFECTION AND IMMUNITY

RESEARCH NURSE

The **Centre for Lung Infection and Immunity (CLII)** invites applications for a **RESEARCH NURSE*** on a Fixed Term Contract.

CLII is based within the Division of Pulmonology in the Department of Medicine at UCT and is committed to the pursuit of excellence in research, treatment, training and prevention of TB and COVID-19 in Southern Africa. CLII conducts various HIV, TB, and COVID-19-related research projects at numerous sites in Cape Town.

The successful incumbent will assist with the care and assessment of participants as well as the collection of specimens and research data related to studies of TB and COVID-19.

This is a Full-Time (*40 hours per week*), **6-month Fixed Term Contract** position.

Essential Requirements:

- Qualification as a Professional Nurse
- Registration with the South African Nursing Council (SANC)
- ≥ 2 years' experience in nursing
- Fluency in English, Afrikaans and /or isiXhosa
- Good interpersonal, communication and time management skills
- Good Computer Skills (MS Excel or Data Management systems, email, internet)
- Valid Driver's license
- Own reliable transport
- Willingness to travel to various LII research sites
- Willingness to work on COVID and tuberculosis related projects

The following will be advantageous:

- Previous research or clinical research experience
- Interest in Infectious Diseases Research
- Knowledge of Good Clinical Practice (GCP) with current GCP certification

Responsibilities:

- In-Hospital and Clinic recruitment of patients:
 - Taking care of participants during their assessment visits
 - Escorting participants from transport bus at hospital entrance
- Arranging appointments and follow-up of research participants
- Obtaining baseline clinical information and informed consent
- Assistance with medical examination; phlebotomy and labelling of blood samples
- Assist with pre-and post-test counselling for research participants
- Booking of clinical visits (communication with participants and their relatives)
- Liaison with clinical research team
- Administration of questionnaires; routine BP, urine analysis, height and weight measurements

Application Process:

To apply, please e-mail a **Cover Letter** and **updated Curriculum Vitae (CV)**, including **3 contactable references** in a **single pdf document** to: Pat.Wileman@uct.ac.za

Enquiries: 021 404 7654

Website: www.lunginstitute.co.za

Reference (in subject line): Research Nurse: CLII

Closing Date: 30 June 2022

Only shortlisted candidates, who **respond with the correct reference**, will be contacted and may be required to undergo a competency test. Should you not receive a response within 30 days of the closing date, please consider your application unsuccessful.

*Please Note: This Position is not on UCT Conditions of Service.
